Baker scores but Forest go down 2-1

And now George Eastham...

GEORGE EASTHAM'S Stoke City debut this afternoon continues a remarkable run of headline-making transfer players making their first appearance for their new clubs against Nottingham Forest.

The sequence began with Bobby Roberts, of Leicester City, who, with Tony Huxley, and went on to score for Forest against Arsenal, and then Frank McLintock, of Arsenal, who scored for Forest against Liverpool in the fifth line. These matches have ended pretty evenly for Forest. Against Arsenal and Liverpool, Forest were beaten by Huxley and Villa, crashed to Pickering and Everton, but soundly defeated McLintock and Arsenal.

NOTTS. CO. CRASH AT BRADFORD

by ALBERT STAPLETON

NOTTS. COUNTY gave a really disappointing display at Park Avenue, Bradford, this afternoon, and with ten minutes left for play they were trailing three goals in arrears.

Little was seen of their attack after Kevin Hector, the Football League's leading scorer last season, had given Bradford an interval lead, two errors by George Smith nullified the home side to gain more goals.

Attendance: 6,203

line with intelligence through out, was caught in the offside trap almost on the interval, when he raced away after receiving an upfield pass from Gordon.

Smith received a quick left eye in a collision with Madden.

Bradford, architect of Bradford's big victory in the corresponding game last season, was again in good form. In a deep hole, he started on a list of movements and when Smith with Hector showing a just edge.

Then the Magpies came quite close to levelling the scores, for they were crossed by Gordon admirably. Bates headed in the ball, fingers and feet left hand, managed to deflect the ball.

Marshall and Still almost broke through the latter losing the race for the ball line.

Bradford's superiority in attack began to show itself again. Ham received the ball on the left to provide Gould with a clear chance. The ball was cleared to the high and wide.

However, Notts. were shocked to find the ball in the space of two minutes.

First Smith looked to have a moment's luck, but he was not able to follow up.

Three spectators led away

THERE was an early disturbance behind one goal at the Bakers' W. Hill Division when three spectators were taken out, struggling violently, by police officers.

Under pressure

With the Notts. forwards unable to keep possession of the ball for any length of time, pressure was brought on the defence by Bradford raids.

Fast away

Two minutes after the Magpies began an indirect free kick in the penalty box, when Marshall was brought down by Linney. The ball was headed by Ham who had led the Bradford

Last words on Notts.

THE Notts. attack was extremely disappointing in the opening period and apart from one effort by Marshall they had nothing to show for the first 45 minutes.

Both Brian Bates and John Bowers found the Bradford full backs real obstacles and it was left to the Magpies defence to cope with the real threat.

Forest go down 2-1

by TONY PATCHETT

A GOOD goal by Joe Baker in the 73rd minute put fresh hope into a wiling Nottingham Forest side after they had conceded two goals to Stoke City in the season's opening match at the City Ground, this afternoon.

Forest, slow to start, conceded goal to Calvin Palmer in the second minute and another to Peter Dobing just after half time.

After Dobing's goal, a decisive defeat for the Reds looked likely, but Baker's effort gave them renewed hope.

Frank Vignall, back in the Forest side after twice breaking a leg, was the pick of a home attack which scored two goals of the game.

Attendance: 21,048

A couple of minutes from half-time the hard-fighting match made his best effort yet. He rose to meet Hinton cross and saw a splendid header that struck the Stoke bar.

Seconds before the whistle a 'break' Forest chance went begging when Baker set into the net and squared a splendid low ball, but there was no Forest forward on hand after the striking touch.

NOTTS. FOREST 0
STOKE CITY 2

Forest resumed well, Newton taking the lead in mid-air but his final pass out to the five-minute defence was a mistake.

The Reds did not find the goal until the 12th minute when Wignall was just offside when he went forward to chase a fine ball from Wignall.

The Reds were shocked in the 21st minute when Calvin Palmer, who had scored a great second goal.

There seemed little danger of a second goal, but the Stoke defence formed up to block DOBING'S pass to goal, but the Stoke defence was not so good.

NEARLY A THIRD

Within a minute Stoke should have got a third, but the Stoke defence was not so good.

Wignall tried hard to find Baker with a neat header into the Stoke goal, but the Stoke defence was not so good.

Wignall was trying hard to turn the game and he won a corner on the Stoke defence.

CRISTAL P. v CARLISLE

CLOSELY contested Brian O'Connell, from Fulham, Bobby from the Green, and Willie White from Aberdeen, quickly showed their worth for Crystal Palace in the Division 4 clash with Carlisle at Selhurst Park.

Verdict on Forest

After a slow and unexciting start in which they conceded two goals to a local team, Forest pulled themselves together and showed their true colours.

Gresley Roy v Alfreton

With professional showings last season anticipated for Gresley, and a hard one for Alfreton, whose side included 15-year-old Reserve player, Willie White, and O'Brien (right wing) and 15-year-old Chadburn (left wing).

Calvin Palmer, the Stoke City right back (formerly of Forest), beats Peter Grummitt and opens the scoring after five minutes at the City Ground this afternoon.

CURRY'S 2 CLINCH IT FOR STAGS

BY OUR OWN CORRESPONDENT

BILL CURRY was on the mark for Mansfield Town at Fellows Park, this afternoon, where he shot his side into a 2-0 lead over Walsall with goals in the ninth and 50th minutes.

It was a tough-tackling game and the referee had to speak to several players. Walsall pulled one back after 77 minutes with an own goal by Richardson.

Both teams took the field as selected which meant that Richardson took the former colleagues for the first time. Conditions were ideal.

ONE UP

In the ninth minute, Richardson kicked a shot from Baker away from goal and two minutes later Mansfield took the lead.

Attendance: 10,207

Brace broke through on the right, but Carling advanced to bring off a magnificent save.

OVER THE BAR

There was another set-off for Mansfield a few minutes later when Middleton failed to score against his old colleagues by hitting the high over the bar from almost on the goal-line.

GREAT BUST

In the next minute Baker showed the Green inside forward a great burst, beat goalkeeper Harris and then the referee saw the ball hit the post and side to the net.

Gresley Roy - Continued

GREENFIELD scored his second goal and Gresley's third in the 16th minute, three minutes later BOULTON crashed the ball in the back of the net.

Belper T - Continued

Long Eaton's fast pace after the break of Belper survived a period of pressure.

Loughborough - Continued

LARYEA netted United's fifth goal in the 53rd minute.

WALSALL v MANCHESTER UTD. v WEST BROM. A.

United set a scorching pace in the sun against West Brom with a goal from Irish international Bell after 45 seconds.

BURNLEY v SHEFFIELD UTD.

Morgan and Lochhead both hit the woodwork for Burnley in the first five minutes but their bright start play became even.
